What's New and Improved?

- Detailed search and filter functionality from a catalogue of 140,000+ titles
- Export details of up to 1500 titles directly from your filtered search results
- Full ONIX 3.0 download updated daily
- Detailed title information on book pages, from different format options, specs and prices, to contributor bios, downloadable assets, and more titles by the author or in the series
- Explore our monthly and specially curated collections – title by title – or all at once with the downloadable collection resources
- Collection resources include automatically updated ONIX and metadata files, downloadable cover folders, sales sheets and order forms
- Up-to-date searchable index of all of our publishers, and publisher pages with their imprints and most recent titles
- Monthly highlighted titles from our publicity team
