

**‘A novel that doesn’t shy away from the modern issues of being Black and female. At times heartbreaking, this portrait of a family coming to terms with a tragic past is vivid and tender.’ – Louise Hare, author of *This Lovely City***

## THE REST OF YOU

MAAME BLUE

- A tender and thought-provoking novel set in today’s London and mid-90s Ghana about generational trauma and the Black British experience
- Explores themes of grief, trauma, friendship, family secrets, identity and the notion of ‘home’ – perfect for book club discussions
- Perfect for fans of Candace Carty Williams’ *Queenie*, Brit Bennett’s *The Vanishing Half* and Anna Hope’s *Expectation*
- Maame Blue is a Ghanaian-Londoner and part-time Melbourne resident and the award-winning author of *Bad Love* (Jacaranda Books). She runs writing workshops, including for Faber Academy Australia and WritingNSW

On the cusp of thirty, Ghanaian Londoner Whitney Appiah was born with a special gift. The massage therapist can physically sense where her clients’ trauma lies and heal them. But Whitney has no idea that she too is suffering. Tragic events from her youth have left a terrible, unseen mark.

When a dangerous encounter with the man she’s dating triggers a wave of fragmented recollections, Whitney embarks on a journey to reclaim her memories and the truth that is buried deep in her early years growing up in Kumasi, Ghana.

Spanning three decades, told through the viewpoints of Whitney, her aunts Gloria and Aretha, and their house help Maame Serwaa, *The Rest of You* explores what happens when we try to move forward through the lacuna of our past.

**‘Maame Blue’s skill at crafting characters that take bits of your heart with them as you read the final pages; is a true gift. Following the characters through the intertwining of multiple timelines brought forth the force that yearning and longing actually possess. A wonderful book!’ – Kelechi Okafor, author of *Edge of Here***

**‘As beautiful as it is horrific, *So Thirsty* is a potent ode to love in its many forms. Rachel Harrison weaves a dark and gruesome tale of true friendship’s ability to transcend both death and undeath.’ – Chuck Tingle, *USA Today* bestselling author of *Camp Damascus***

**SO THIRSTY**

RACHEL HARRISON

- A fun, witty, moving, blood-sucking tale of two women seeking to grab life by the throat and getting more than they expected...
- Modern horror with heart from a popular author
- *Cackle* was a Barnes & Noble Book of the Month
- Rachel’s previous books have been highly praised by Alexis Henderson, Paul Tremblay, Emily M. Danforth, Eric LaRocca, Hailey Piper, Alma Katsu, Genevieve Gornichec and many others
- *Black Sheep* appeared on many Best of the Year lists and received strong endorsements from Eric LaRocca, Clay McLeod Chapman, Hailey Piper and others, plus several starred reviews

A woman must learn to take life by the throat after a night out leads to irrevocable changes in this juicy, thrilling novel from the *USA Today*-bestselling author of *Such Sharp Teeth* and *Black Sheep*.

Sloane Parker is dreading her birthday. She doesn’t need a reminder she’s getting older, or that she’s feeling indifferent about her own life. Her husband surprises her with a birthday-weekend getaway – not with him, but with Sloane’s longtime best friend, troublemaker extraordinaire Naomi. Sloane anticipates a weekend of wine tastings and cozy robes and strategic avoidance of issues she’d rather not confront, like her husband’s repeated infidelity. But when they arrive at their rental cottage, it becomes clear Naomi has something else in mind. She wants Sloane to stop letting things happen to her, for Sloane to really live. So Naomi orchestrates a wild night out with a group of mysterious strangers, only for it to take a horrifying turn that changes Sloane’s and Naomi’s lives literally forever. The friends are forced to come to terms with some pretty eternal consequences in this bloody, seductive novel about how it’s never too late to find satisfaction, even though it might taste different than expected.

**‘Dysfunctionally adorable (and terrifying) vampire hijinks meets the complexities of female friendship and aging? Yes, please. *So Thirsty* takes mid-thirties ennui and adds teeth, charm, and a beating heart (of borrowed blood). Another winner from Harrison!’ – Kiersten White, #1 NYT bestselling author of *Lucy Undying: A Dracula Novel***

**PAY THE PIPER**

GEORGE A. ROMERO, DANIEL KRAUS

- Perfect for fans of Grady Hendrix, Christina Henry, Paul Tremblay and Joe Hill
- Compulsive deep South horror – expect colourful carnivals, eerie bayous and more
- The master of horror cinema’s lost novel. A legend of the genre’s final work finally in print
- Kraus’ *Whalefall* was a NYT bestseller, recently announced as a forthcoming film from Brian Duffield (*No One Will Save You, Underwater*)

A terrifying tale of supernatural horror set in a cursed Louisiana bayou, from the minds of legendary director George Romero and bestselling author Daniel Kraus.

In 2019, while sifting through University of Pittsburgh Library’s System’s George A. Romero Archival Collection, novelist Daniel Kraus turned up a surprise: a half-finished novel called *Pay the Piper*, a project few had ever heard of. In the years since, Kraus has worked with Romero’s estate to bring this unfinished masterwork to light.

Alligator Point, Louisiana, population 141: Young Renée Pontiac has heard stories of ‘the Piper’ – a murderous swamp entity haunting the bayou – her entire life. But now the legend feels horrifically real: children are being taken and gruesomely slain. To resist, Pontiac and the town’s desperate denizens will need to acknowledge the sins of their ancestors – the infamous slave traders, the Pirates Lafitte. If they don’t...it’s time to pay the piper.

In the distant future, when mortals mingle with the gods in deep space, an out-of-date automaton, a recovering addict, and an angel race to solve the Pope's murder in an abandoned corner of the galaxy.

Scribe IV is an obsolete automaton, peacefully whiling away his years on the Bastion, a secluded monastery in an abandoned corner of the galaxy. But when the visiting Pope is found murdered, Scribe IV knows he has very little time before the terrifying Sisters of the Drowned Deep rise up to punish the Bastion's residents for their crime.

Quin, a recovering drug addict turned private investigator, picks up a scrambled signal from the Bastion and agrees to take the case. Traumatized by a bizarre experience in his childhood, Quin repeatedly feeds his memories to his lover, the angel Murmuration. But fragmented glimpses of an otherworldly horror he calls the crawling dark continue to haunt his dreams.

Meanwhile in Heaven, an angel named Angel hears Scribe IV's prayer. Intrigued by the idea of solving a crime with mortals, she descends to offer her divine assistance (whether those mortals want it or not). With the Drowned Sisters closing in around the Bastion, Scribe IV, Quin, and Angel race to find out who really murdered the Pope, and why. Quin's missing memories may hold the key to the case – but is remembering worth the price?

**ROLAND ROGERS ISN'T DEAD YET**

A Novel

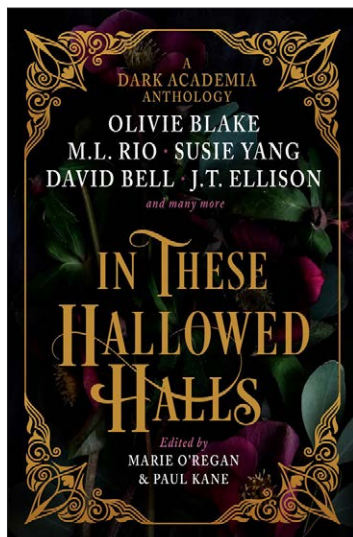

SAMANTHA ALLEN

- The sophomore novel from the beloved author of *Patricia Wants to Cuddle*, *Roland Rogers Isn't Dead Yet* is a witty and electric new rom-com for fans of Ashley Poston and Casey McQuiston
- Tropes that readers love: Numerous recent successes-including Emily Henry's *Book Lovers* and *Beach Read*, Andrew Sean Greer's *LESS* and Christina Lauren's *The True Love Experiment* – show that readers love big-hearted romances that centre books and book people. Quite a few also explore romances between celebrities, rockstars, or royals and civilians, and yet more employ a lightly speculative conceit to heighten the stakes of the story, like Elin Hilderbrand's recent *Golden Girl* and Casey McQuiston's queer meet cute *One Last Stop*. *Roland Rogers* makes use of all of these tropes, along with an opposites attract pairing, to satisfying, delightful effect
- Samantha brings the character of Adam to vivid life on the page as he navigates leaving his Mormon community, coming-out, and trying to build and sustain a life as a writer, all of which Samantha has experienced firsthand and spoken about in the media

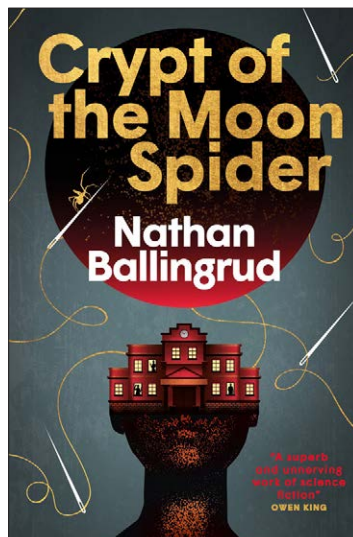

In this **'unlikely romance for the ages'** (Camryn Garrett), a ghostwriter is handed the gig of a lifetime, except there's a catch: the client, a closeted A-list actor finally ready to come out in his memoir, is an actual ghost – and the sparks flying between the men are becoming a little too real...

Adam Gallagher has knocked on thousands of doors. An ex-Mormon and almost-famous memoirist, he is used to sharing his life story with strangers. But this day, this house, is different. For it belongs to none other than Roland Rogers: Hollywood Hunk, and soon to be author. Roland has a story to tell, a decades-old secret to spill, and he's decided that Adam is just the guy to help him do it.

Except there's a problem. Roland Rogers is dead. Not in the metaphysical realm – if he focuses, he can summon enough energy to communicate via the kitchen speaker – but certainly in the physical, and he needs Adam to pen his story before his body is found frozen beneath the avalanche of snow that squashed it. That means one month, a hundred thousand words, no breaks.

## CRYPT OF THE MOON SPIDER

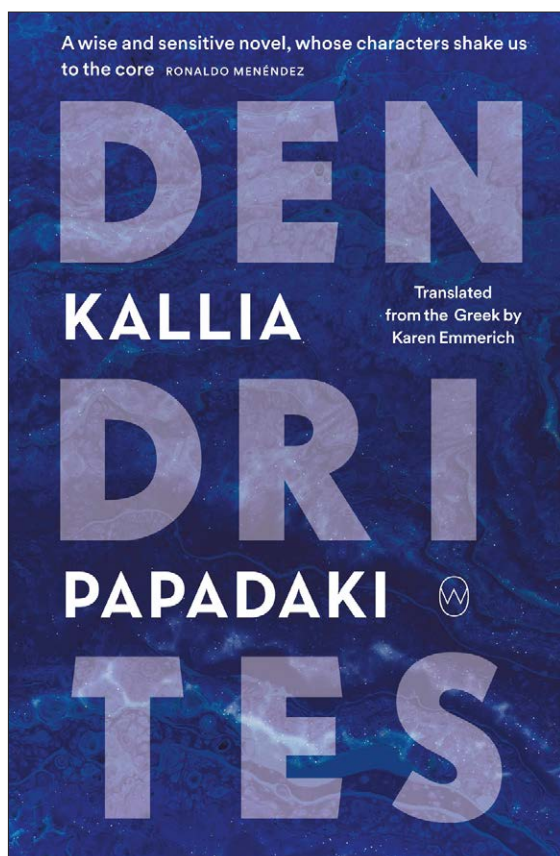

NATHAN BALLINGRUD

- **A crumbling asylum, bizarre experiments and horrific creatures – this is the perfect novella for fans of Cassandra Khaw, John Langan and T. Kingfisher**
- **The author’s profile continues to grow and grow, with praise for *The Strange* from Jason Pargin, Paul Tremblay, Adam Roberts, and Charlaune Harris**
- **Topical themes around mental illness and depression, and the ways in which we treat and talk about them, likely to resonate with a wide readership**
- **Nathan’s story ‘The Visible Filth’ was adapted by Netflix into the film *Wounds*, and his collection *North American Lake Monsters* has been adapted by Hulu into the TV show *Monsterland***

Veronica Brinkley has been committed to The Barrowfield Home, run by Dr. Cull, to treat her depression. The institution is built on the crypt of a giant Lunar Spider, tended to by a monastic group of worshippers called the Alabaster Scholars. Dr. Cull is using the lunar silk from the dead spider to ‘repair’ people’s brains. As Veronica’s memories are tampered with, she finds a surprising reserve of power within herself, upending everyone else’s plans for her and stepping into a grand new role she had never imagined for herself.

## DENDRITES

KALLIA PAPADAKI, TRANSLATED BY KAREN EMMERICH

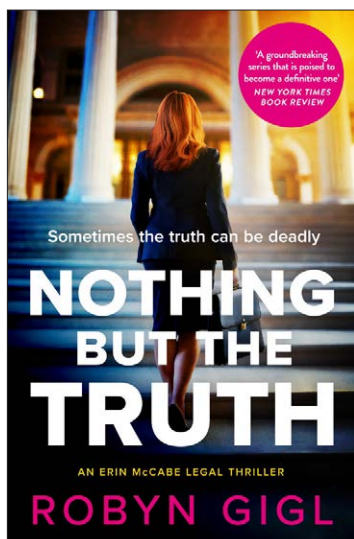

- This first novel is a book about second-generation immigrants to the US, set in crisis-ridden 1980s Camden, New Jersey, in a community of Greek immigrants who fail to realise the American dream, it's a 'novel about disillusion and everyday failures' (*ELLE*)
- For readers of *Pachinko* by Min Jin Lee, *Behold the Dreamers* by Imbolo Mbue, *Homegoing* by Yaa Gyasi, *Interior Chinatown* by Charles Yu, and *Unaccustomed Earth* by Jhumpa Lahiri

**\*\*Winner, 2017 European Union Prize for Literature\*\***

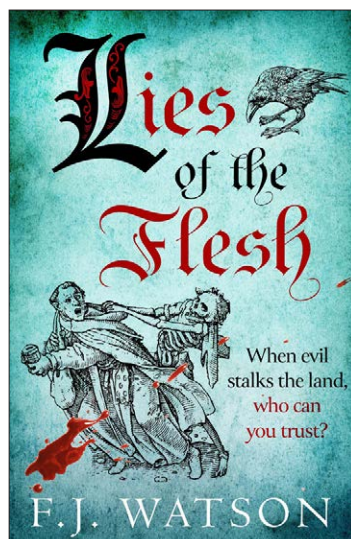

When young Minnie is orphaned, the Campanis family decides to take her in. Ex-hippie Susan and her husband Basil, a second-generation Greek American, along with their daughter Leto react to Minnie's arrival in ways that make old family scars flare up again. Set in crisis-ridden 1980s Camden, New Jersey, among a community of immigrants trying and failing to realise the American dream, *Dendrites* is a poetical elegy to dignity and courage. In this sensitively told story about the quest for a meaningful life amid the ruins of lost second chances, Kallia Papadaki, one of Greek literature's most brilliant voices, delivers an unforgettable novel about the power of hope and compassion in the face of adversity.

**'...Vindicates the multiplicity of female voices in European literature, who are often silenced by a lack of translation into other languages.'**  
– *Vogue*

**‘Taut and powerful... combines the very best of courtroom drama, unexpected twists and thought-provoking characters. Erin McCabe is my new favourite series character – crazy clever, quietly powerful and always compelling.’**  
 – Lisa Gardner, #1 *New York Times* bestselling author

**LIES OF THE FLESH**  
 F.J. WATSON

**NOTHING BUT THE TRUTH**  
 ROBYN GIGL

- Perfect for fans of J. A. Jance, Scott Turow, Lisa Unger, Renee James, *The Good Wife* and *Anatomy of a Scandal*
- A propulsive and timely thriller about murder, prejudice, and police corruption
- The fourth novel in the Erin McCabe series that can be read as a standalone
- Robyn Gigl won the inaugural Joseph Hansen Award for LGBTQ+ Crime Writing in 2023 and has been shortlisted for the 2024 award

Erin McCabe, transgender attorney of the Garden State, discovers that getting to the truth can be deadly...

New Jersey State Trooper Jon Mazer has been charged with killing Black investigative reporter Stewart Marshall in a racially charged, headline-making murder. The evidence against criminal defence attorney Erin McCabe’s new client is overwhelming. The gun used is Mazer’s off-duty weapon. Fingerprints and carpet fibers link Mazer to the crime. And Mazer was patrolling Marshall’s neighbourhood shortly before the victim took three bullets to the chest. Mazer’s argument? He’s a gay officer being set up to take the fall in an even bigger story.

As Erin deals with an intensely personal issue at home, and faces an uphill battle to prove her client’s innocence, both she and Duane find themselves mired in a conspiracy of corruption deeper than they imagined.

- *Lies of the Flesh* is a thrilling historical mystery that explores what happens when identities – whether relating to gender, social position, or nationality – are challenged within the crucible of war
- Shows the conflict between Scotland and England at its brutal and bloody worst
- Second novel from historian F.J. Watson whose debut, *Dark Hunter*, was published to critical acclaim in 2022
- Will appeal to readers of historical mysteries such as C. J. Sansom’s *Shardlake* series, S. J. Parris’s *Giordano Bruno* series

When evil stalks the land, who can you trust?

Autumn 1314. In the aftermath of the Scottish victory at the Battle of Bannockburn, the villagers of Warcop wait desperately for the return of loved ones. When brothers Wat and Rob Dickinson bring news of the death of their companion, Adam Fothergill, as they fled home, there is no one to mourn him. But when a monstrous figure is seen in the hills nearby, it seems Adam has returned from the dead to wreak revenge. But for what?

Three miles away, young Fran Hilton is mourning the death of his father and wrestling with the responsibilities of becoming lord of the manor. When he catches sight of the Revenant, he is terrified, but the mystery of Adam’s death fascinates him.

## FEARS

Tales of Psychological Horror

EDITED BY ELLEN DATLOW

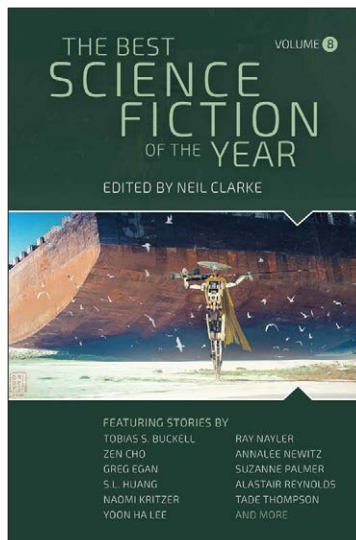

- A stellar new psychological horror anthology, curated by the genre’s leading editor and featuring a stellar contributors list, focuses on one of the most basic – yet most terrifying – things: Fear
- Bestselling and award-winning horror editor Ellen Datlow (*Body Shocks*) returns with twenty-one stories of extreme psychological dread from such horror icons as Stephen Graham Jones, Priya Sharma, Josh Malerman, Margo Lanagan, and more

The unsettling tales explore the nature of fear as it stirs in dysfunctional families, toxic friendships, and mismatched lovers, which culminates in relentless stalkers, remorseless killers, and perpetrators of savage rituals. Far beneath the mere supernatural lives something worse: the depths of human depravity. Your child is sacrificed in compensation for your social misstep. You compete in a sick game to save your loved ones. Your mom is insane, your dad is dying, your brother is not your brother, and you’re stuck in the same house until one or all of you are dead. In her newest landmark anthology, Ellen Datlow has unearthed twenty-one exemplary tales of what people should fear the most: other people.

- **Gripping midwestern gothic horror set amongst crumbling farms and families, but with a truly unique and terrifying monster at its centre**
- **Will sit perfectly alongside Paul Tremblay, Stephen Graham Jones and T. Kingfisher**
- **A dysfunctional, toxic family like no other, taken apart slowly in this brooding supernatural horror**

Two brothers return to their family home to care for their dying father, only to find the ghosts of their pasts are restless and hungry for blood, in this gothic horror perfect for fans of *Hereditary*.

When their father calls them to tell them he is dying, Nick and Joshua rush back to their Nebraskan childhood home, Stag’s Crossing, hoping for a deathbed reconciliation with man who raised them. But their return sparks memories of their childhood, and their father – Carlyle – a ruthless, violent, racist man who ruled Stag’s Crossing with an iron fist.

Returning home, the family find themselves falling into familiar patterns. As Joshua and his father renew their tight bonds, Nick finds himself ostracised and growing closer to Emilia, his brother’s enigmatic wife.

But something else has arrived at Stag’s Crossing, a presence out for revenge, and Nick, Joshua and Carlyle, who have traded in blood, dirt and violence for so long, are about to face a reckoning like no other.

*The Menu* meets *Ready or Not* in this dark tale of opulent luxury and shocking violence from the *New York Times* bestselling author of *Bloom*. Thrift fashionista Dez Lane doesn’t want to date Patrick Ruskin; she just wants to meet his mother, the editor-in-chief of *Nouveau* magazine. When he invites her to his family’s big Easter reunion at their ancestral home, she’s certain she can put up with his arrogance and fend off his advances long enough to ask Marie Caulfield-Ruskin for an internship someone with her pedigree could never nab through the regular submission route.

When they arrive at the enormous island mansion, Dez is floored—she’s never witnessed how the 1% lives before in all their ridiculous, unnecessary luxury. But once all the family members are on the island and the ferry has departed, things take a dark turn. For decades, the Ruskins have made their servants sign contracts that are basically indentured servitude, and with nothing to lose, the servants have decided their only route to freedom is to get rid of the Ruskins for good...

## BLOOM

DELILAH S. DAWSON

- **Now in paperback!**
- For fans of the slow-build horror of Catherynne M. Valente’s *Comfort Me With Apples* and *The Bloody Chamber* by Angela Carter: A sweet sapphic romance that turns deadly dark
- A deadly sapphic horror: Perfectly structured, this novella tells the story of an obsessive love affair filled with passion, glossy green plants and delicious cupcakes, which turns increasingly toxic
- *Bloom* received glowing endorsements from Josh Malerman, Rachel Harrison, Eric LaRocca, Ally Wilkes, Chuck Wendig, Kristi DeMeester, Zoje Stage, Paul Tremblay and many others

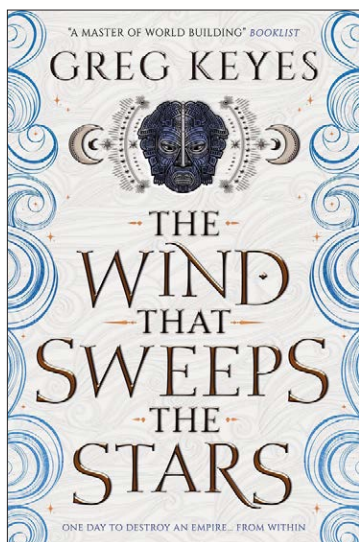

A sweet sapphic romance takes a deadly dark turn in this sharp-as-a-knife tale with the slow build menace of Angela Carter’s *The Bloody Chamber* – from a *New York Times*-bestselling author hailed by Chuck Wendig as ‘a storyteller working at the top of her class’.

Rosemary meets Ash at the farmers’ market. Ash—precise, pretty, and practically perfect – sells bars of soap in delicate pastel colours, sprinkle-spackled cupcakes stacked on scalloped stands, beeswax candles, jelly jars of honey and glossy green plants. Ro has never felt this way about another woman; with Ash, she wants to be her and have her in equal measure. But as her obsession with Ash consumes her, she may find she’s not the one doing the devouring...

 GREG KEYES

- **The first victim is killed in chapter one, and the headlong pace continues with the clock ticking as the assassin must locate and eliminate all of her targets throughout the fortress – sorcerers, demons, soldiers, and even the emperor – before any of them can raise an alarm and bring her mission to an excruciating end**
- **In addition to writing many critically acclaimed original fantasies, Keyes has produced bestselling tie-in novels (for *Star Wars*, *Babylon 5*, *Interstellar*, *Dawn of the Planet of the Apes*, *Pacific Rim Uprising*, and *Avengers: The Extinction Key*)**

A taut high fantasy as an assassin must destroy an empire from within, eliminating wizards, their demons and even the emperor. For the lives – for the very souls – of her people, she must succeed within a single day, or her homeland will be destroyed.

When Yash of Zeltah arrives in the fortress city of Honaq she is greeted as a barbarian, a simple pawn. Her marriage to prince Chej has been arranged, they say, to avert war. Yet she knows the truth, for the armies already ravage the land. A skilled and deadly assassin, there is more to Yash than any might suspect. Before another day can pass, she must defeat the masters of the nine towers – the plagues, magics and monsters they control, the soldiers they command.

## THE DOOMED EARTH – IN OUR STARS

JACK CAMPBELL

- **Available now!**
- A new duology from the author of the highly successful *Lost Fleet* series, *New York Times*-bestseller Jack Campbell
- A lone survivor from the future travels back in time to stop the destruction of the Earth
- The alien-hybrid survivor comes from a timeline defined by prejudice toward non-humans, and hopes Earth can take a more accepting path
- Science fiction adventures with political intrigue, perfect for fans of James S.A. Corey’s *The Expanse* series and John Scalzi

The *New York Times*-bestselling author begins a gripping new saga about a refugee from the future come to save the Earth and the one naval space officer who believes her.

When the destruction of Earth causes a time rift, one ship is thrust back in time to decades prior. The semi-disgraced naval officer Kayl Owen is sent from the Earth Guard ship *Vigilant* to investigate. He finds one person alive, one person whose DNA analysis reveals to have some non-human DNA, a person who his superiors say isn’t human.

That’s not how Kayl Owen sees it. He thinks Lieutenant Genji of the near future Unified Fleet – the future successor of Earth Guard – is every bit a person. And more, the knowledge she brings from the future might hold the key to saving Earth from destruction.

## NOW YOU OWE ME

ALIAH WRIGHT

- Edge of your seat serial killer thriller and a smart cultural commentary on the disparity in media coverage about missing white women versus missing women of colour
- This story is a bold demonstration of the need for California’s new Ebony Alert System, established in October 2023 to address how disproportionately Black persons appear on missing persons lists
- For fans of American crime drama like Netflix’s *You* and HBO’s *Mare of Easttown*
- Wright has worked in media for decades, including major media outlets like the *Associated Press*, *USA Today Network*, *Gannett News Service*, *Philadelphia Daily News*, *Philadelphia Inquirer* and *The Slate Group*

Ben and Corinthia spent years abducting college coeds, until one night they took the wrong victim.

No one knew witnessing their first murder at seven would propel Ben and his twin toward a killing spree in Pennsylvania. Racked with guilt, they vow to take just one more victim. Too bad they snatched the wrong woman...

## SONNETS FOR A MISSING KEY

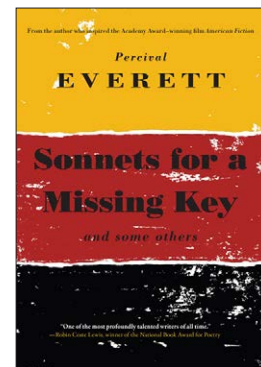

and some others

PERCIVAL EVERETT

- **Author of the instant national bestsellers, *James and Erasure* – the inspiration for the Oscar-winning film *American Fiction* – Percival Everett is diving back into poetry with his spellbinding new collection**

Inspired by the Preludes of Chopin and the piano solos of Art Tatum, these sonnets leap and turn through philosophical musings accrued across a life well lived, with inventive language, crystalline imagery, and turns of phrase that lift off the page and glimmer. Everett's sonnets soar through the musical scale, from A Minor to A Major, exploring relationships, spirituality, compassion, despair, and how the stories we tell ourselves shape our realities.

Everett continuously defies convention with every creative expression and brings his literary audacity back to his poetic roots with this, his sixth collection with Red Hen Press.

## WRATH

SHARON MOALEM, DANIEL KRAUS

- **In a near future where scientific experimentation is exploited for commercial profit, unwisely undersupervised, cutting-edge technology creates a menace that threatens the very fabric of human existence**

*Wrath* is the story of a genetically enhanced lab rat whose supersized intelligence helps him to engineer his escape into the world outside the lab: a world vastly ill-equipped to deal with the menace he represents. Modified through advances that have aggravated his aggressiveness, and endowed with a rat's natural proclivity to procreate regularly, Sammy has the potential to sire a rodent army capable of viciously overwhelming the human race.

The key to Sammy's capture and humanity's salvation may be ten-year-old Dallas Underhill, whom Sammy temporarily adopts. Sammy himself is scientifically enhanced – with a cutting-edge cochlear implant – by which he discovers Sammy possesses superior skills that allow him to communicate with and direct other rats who have not been modified.

## ONCE UPON ARGENTINA

ANDRÉS NEUMAN, TRANSLATED BY NICK CAISTOR, GARCIA LORENZA

- **This is the fourth of five Neuman books coming out from Open Letter. Over the course of his career, he's received dozens of prizes and critical accolades, and over the past 15 years, his English-language audience has grown substantially**
- **For fans of Alvaro Enrigue, Enrique Vila-Matas, Sara Mesa, Rodrigo Fresán**

One day, a young man receives an unexpected letter from his grandmother, kicking off a literary adventure that brings home to him everything he has not seen.

*Once Upon Argentina* relates the lives of the narrator's relatives – a group of people from all over the world gathered in a land where immigrant traditions merge and thrive. The lives of these relatives intersect, like a set of Matryoshka dolls or a hall of mirrors, as the personal and social stories of twentieth century Argentina converge. Beyond these tales of hardship and triumph, Andrés Neuman's novel experiments with the nature of the autobiography, encompassing prenatal memories, expanding the autofiction genre with a new voice and twist.

## JEKYLL & HYDE

Consulting Detectives

TIM MAJOR

- **A thrilling mystery in a brilliantly realised, smog filled Victorian London, perfect for fans of Stuart Turton, T. A. Willberg and Kim Newman**
- **Female centric story reclaiming Jekyll's fiancée Muriel Carew from the 1886 stage play and classic movie, giving her an agency she never previously had**
- **Though a standalone, there are plans for further books in the series**

When Muriel Carew attends a lavish society party, the last person she expects to bump into is her ex-fiancé Henry Jekyll, a man she's not seen for many years. When Jekyll turns out to be investigating a series of missing persons in London, Muriel is intrigued. But Jekyll is not working alone, and if Muriel wants to aid in the investigation, she must work with both Henry and his partner, the monstrous and uncouth Mr Hyde.

## TOO MANY BULLETS

MAX ALLAN COLLINS

- **Acclaimed 'True Crime' detective Nathan Heller, whose cases have sold more than 1 million copies, returns to uncover the secrets behind Robert F. Kennedy's 1968 assassination in this brand-new novel from bestselling *Road to Perdition* author Max Allan Collins**

It began with John F. Kennedy in 1963. Then Malcolm X in 1965. Martin Luther King in April 1968. And then, in June of the same year, President Kennedy's brother Robert fell before an assassin's bullets at the Ambassador Hotel in Los Angeles.

But how many shooters were there, really? And who sent them? In this astonishing, meticulously researched novel, bestselling author Max Allan Collins – Mystery Writers of America Grand Master – takes Nathan Heller, 'Private Eye to the Stars', from the scene of the crime to Hollywood's seediest haunts, from striptease joints to Washington D.C.'s corridors of power to a deadly desert showdown outside Las Vegas, all in pursuit of the truth.

## THE AWAKENING AND OTHER STORIES

KATE CHOPIN

- **Features striking cover art by distinguished graphic designer and illustrator Malika Favre, whose works have been featured in *Vogue*, *The New York Times*, *The New Yorker*, the *Sunday Times*, and *Vanity Fair***

To all outside appearances, Edna Pontellier is a respectable married woman living in New Orleans with her fond, indulgent husband and her two young sons. Beneath Edna's smooth, graceful face, however, lurks a woman of passion, a woman who will not – or simply cannot – efface herself in the role that her husband expects of her: an angelic being who reveres him, dotes on their children, and obediently erases her individuality in service to the family's happiness.

This volume features additional short stories, including works that wrestled with such topics as racial passing in *Désirée's Baby*, infidelity in *A Respectable Woman*, and queer attraction in *Fedora*.

## THE COMPLETE SHERLOCK HOLMES, VOLUME II

SIR ARTHUR CONAN DOYLE

- **The tales of Sherlock Holmes are foundational works of popular fiction and detective fiction that have been adapted numerous times for stage and screen over the past century**

Holmes has changed since his 'resurrection' in 'The Adventure of the Empty House' in 1903. He is as keenly observant and nimble of mind as ever, but his patience with British justice is wearing thin and at times he takes the law into his own hands and knowingly breaks the law. What can have happened to produce such uncharacteristic behaviour in the world's greatest detective?

Included in this volume are the fourth and final Sherlock Holmes novel, *The Valley of Fear*, and the thirty-three stories comprising *The Return of Sherlock Holmes*, *His Last Bow*, and *The Case-Book of Sherlock Holmes*.

## SELECTED WORKS

SENECA

- **Over the past 10 years, Stoicism has moved from academia to the mainstream, with dedicated podcasts, newsletters, Instagram accounts, self-help books, personal coaching, and in-person events, like the well-attended annual event Stoicon**

Seneca the Younger was a playwright, essayist, lecturer (and tutor to the emperor Nero) who remains one of the most important Stoic philosophers.

Emphasising both theory and practical advice, Seneca's writing is perfectly suited to contemporary readers. He articulated the difficulties of living ethically and influenced many writers, including Marcus Aurelius, Michel de Montaigne, Dante Alighieri, Tertullian, Baruch Spinoza, and Edmund Burke.

## O PIONEERS!

WILLA CATHER

- **A spirited celebration of the immigrants who have shaped the United States, *O Pioneers!* is a masterpiece by a Pulitzer Prize-winning author**

When the Bergson family leave their home in Sweden to travel to the United States in search of a better life, they, like many immigrants, are awed by the beautiful harshness of their new life in Nebraska. When their father, John Bergson, grows sick and dies, he leaves the farm in the hands of his eldest daughter Alexandra Bergson. Resourceful and determined, Alexandra devotes her life to her family's farm, determined to prosper even as her neighbors are overwhelmed by the unremitting demands of pioneer life. But when she falls in love with her childhood friend, Carl Linstrum, Alexandra must choose between her duty to the land, and to her heart.

## LADY CHATTERLEY'S LOVER

D. H. LAWRENCE

- **Now the basis of a Netflix adaptation (2023) starring Emma Corrin**

Inspired by the long-standing affair between D. H. Lawrence's German wife and an Italian peasant, *Lady Chatterley's Lover* follows the intense passions of Constance Chatterley. Trapped in an unhappy marriage to an aristocrat whose war wounds have left him paralysed and impotent, Constance enters into a liaison with the gamekeeper Mellors.

Originally banned in multiple countries, *Lady Chatterley's Lover* is an unapologetic portrayal of pleasure recognised as Lawrence's 'best novel' (Anais Nin) and 'one of the most important works of fiction of the century' (Archibald MacLeish).

## NORTHANGER ABBEY

JANE AUSTEN

- **Features striking cover art by distinguished graphic designer and illustrator Malika Favre, whose works have been featured in *Vogue*, *The New York Times*, *The New Yorker*, the *Sunday Times*, and *Vanity Fair***

It is no tragedy that seventeen-year-old Catherine Morland is not cut out to be the heroine of one of the Gothic novels she reads so avidly with her new friend Isabella Thorpe. What may lead to tragedy on her first visit to the glamorous resort town of Bath, however, are Catherine's overactive imagination and her inability to read other people.

Catherine has no clue that Isabella's tendency to say one thing and do another might make her an unreliable friend. It never occurs to her that her brother James, arriving unannounced in Bath with Isabella's brother John, has come to see Isabella, not her. After making a mistake that would shame any true heroine – falling in love with the wry and witty Henry Tilney before knowing his feelings for her – she fails to notice that the odious John Thorpe fancies himself in love with her, and vice versa.

## THE LAST OF THE MOHICANS

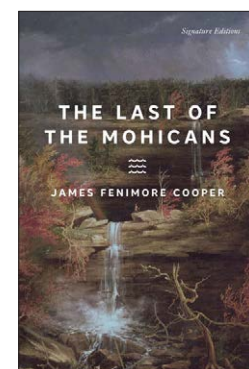

JAMES FENIMORE COOPER

- **The basis for the academy award-winning adaptation starring Daniel Day-Lewis**
- **An author admired by D.H. Lawrence, Henry David Thoreau, Victor Hugo, and Honore De Balzac**

Written in 1826, but set in 1757, *The Last of the Mohicans* portrays ordinary men and women caught in the crossfires of the French and Indian War, when France and Great Britain battled for control of North America. Featuring double agents, dastardly villains, kidnappings, as well as stunning descriptions of the Adirondacks, the Catskills, and the Lake George area, this novel is considered Cooper's greatest work. Indeed, its portrayals of the rugged yet resourceful frontiersman, as well as the wise, stoic Native American were genre-defining – as was Cooper's sympathy for the plight of the First American cultures.

A historical romance that influenced North American literature for decades, *The Last of the Mohicans* remains a keystone text to this day.

## THE PHANTOM OF THE OPERA

GASTON LEROUX

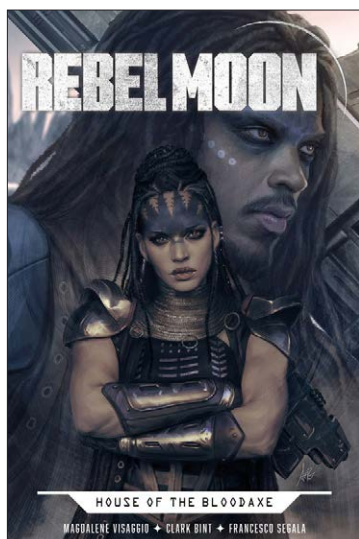

- ***The Phantom of the Opera* inspired the award-winning musical of the same name and has become a global phenomenon since**

The young and beautiful Christine Daae has been raised in the Paris Opera House since her father died years ago. It is well-known that the opera house is haunted, the mysterious ghost surfacing as a disembodied voice, or a gentleman in a mask. But for Christine, the phantom is her angel of music, teaching her to sing, and nurturing her innate talent until she finally takes the stage the night the lead soprano falls ill. Christine's performance is an incredible success, so much so that she catches the attention of her childhood love, Viscount Raoul. Driven mad with jealousy, the phantom becomes increasingly violent, and Viscount Raoul and Christine realise that their love may have grave and deadly consequences.

## GREAT GATSBY AND OTHER CLASSIC WORKS F. SCOTT FITZGERALD

- **Back in stock!**

No writer portrayed America's Jazz Age as vividly as F. Scott Fitzgerald. In his effervescent tales of ingenues on the prowl for husbands, Ivy League heirs en route to futures of idle entitlement, and endless alcohol-fueled dance parties at ritzy country clubs, he limned a culture giddy with excess and as reckless as it was refined. Gifted with remarkable powers of observation and a witty way with words, Fitzgerald wrote stories that seem as fresh and modern today as they did when published a century ago.

This *Great Gatsby and Other Classic Works* features Fitzgerald's first two published novels – *This Side of Paradise* and *The Beautiful and Damned* – and 19 short stories, including the classics 'Bernice Bobs Her Hair', 'The Diamond as Big as the Ritz', and 'The Curious Case of Benjamin Button'.

**PRIDE AND PREJUDICE  
(BARNES & NOBLE  
COLLECTIBLE CLASSICS:  
FLEXI EDITION)**

JANE AUSTEN

*It is a truth universally acknowledged, that a single man in possession of a good fortune, must be in want of a wife.*

So begins *Pride and Prejudice*, Jane Austen's classic novel of manners and mores in early nineteenth century England.

As the Bennets prepare their five grown daughters to enter into society, each shows personality traits that illuminate their future prospects as wives. Jane, the oldest, is the most demure and traditional, and Lydia, the youngest, the most headstrong and impulsive. Attention centres on haughty second-born Elizabeth, and her blossoming relationship with the dashing but aloof Fitzwilliam Darcy.

**SENSE AND SENSIBILITY  
(BARNES & NOBLE  
COLLECTIBLE CLASSICS:  
FLEXI EDITION)**

JANE AUSTEN

When the Dashwood family estate passes to the eldest son John and his wife, Mrs. Dashwood and her daughters Elinor, Marianne, and Margaret must find a new home. Moving to a cottage in Devonshire, the Dashwood women begin adjusting to a new life and a new social circle. Soon, Elinor is being courted by the gentlemanly Edward Ferrars, and Marianne finds herself torn between two suitors, the brooding Colonel Brandon and social-climbing scoundrel John Willoughby. The love and heartbreaks that they all endure are shaped by the temperament of their time and place and the sense and sensibility of their society.

Originally published in 1811, Jane Austen's first published novel is revered as a classic romance of manners.

**THE PRINCE (BARNES  
& NOBLE COLLECTIBLE  
CLASSICS: POCKET  
EDITION)**

NICCOLO MACHIAVELLI

*'It is safer to be feared than loved.'*  
These words embody the spirit of *The Prince*, Niccolo Machiavelli's classic work of political philosophy. Machiavelli's advice for how a ruler should acquire and ruthlessly exercise power over others continues to be relevant to contemporary readers more than five centuries after it was first published.

This is one of Barnes & Noble's 'Collectible Editions' classics. Each volume features authoritative texts by the world's greatest authors in an elegantly designed bonded-leather binding, with distinctive gilt edging. Durable and collectible, these volumes are an indispensable cornerstone of every home library.

**THE PICTURE OF  
DORIAN GRAY  
(BARNES & NOBLE  
COLLECTIBLE CLASSICS:  
FLEXI EDITION)**

OSCAR WILDE

Horror hides behind an attractive face in *The Picture of Dorian Gray*, Oscar Wilde's tale of a notorious Victorian libertine and his life of evil excesses. Though Dorian's hedonistic indulgences leave no blemish on his ageless features, the painted portrait imbued with his soul proves a living catalogue of corruption. Desperate to hide the physical evidence of his unregenerate spirit, Dorian will stop at nothing, not even murder, to keep his picture's existence a secret.

A scandalous story when it was first published in 1890, Wilde's novel is acknowledged as a landmark of literature today and a tale emblematic of its time.

**WAR AND PEACE  
(BARNES & NOBLE  
COLLECTIBLE EDITIONS)**  
LEO TOLSTOY

War looms in Leo Tolstoy's *War and Peace*, and when Napoleon invades Russia in 1812 it forever changes those whose lives it engulfs. Although told on a panoramic scale Tolstoy's epic novel focuses the chaos of battle, the horror of death and bloodshed, and the expression of the noble virtues of love and valour through their impact on the lives of three principal characters: the courageous Prince Andrei Bolkonsky, the idealistic Pierre Bezukhov, and the nobly born beauty Natasha Rostov.

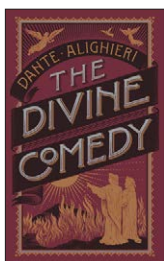

*War and Peace* is one of Barnes & Noble's Collectible Editions classics. Each volume features authoritative texts by the world's greatest authors in an exquisitely designed bonded-leather binding, with distinctive gilt edging and a ribbon bookmark.

**SHERLOCK HOLMES:  
CLASSIC STORIES  
(BARNES & NOBLE  
COLLECTIBLE CLASSICS:  
FLEXI EDITION)**  
ARTHUR CONAN DOYLE

*In glancing over my notes of the seventy odd cases in which I have during the last eight years studied at the methods of my friend Sherlock Holmes, I find many tragic, some comic, a large number merely strange, but none commonplace.*

So writes Dr. Watson, sidekick, and partner-in-crime-solving to the great detective, Sherlock Holmes, in one of the ten classic tales of mystery and detection collected in this volume. Included are several stories that Holmes's creator, Arthur Conan Doyle, himself selected as the intrepid pair's greatest adventures, among them *A Scandal in Bohemia*, *The Speckled Band*, *The Red-Headed League*, and *The Final Problem*.
